45	2335		(C) Bde informs us that a sling load of 105 mm Arty rounds was dropped in vicinity of grid 830253.	Notified Major Royal, BTCC	CR
46		2357	(U) Sitrep Negative.	Notified BTCC	CR
<p>Summary: 2 SLRPs in position "O" and "U". Remaining SLRPs moved out at 1200 hours. SLRPs "O" and "U" went into position at 1531 hours. SLRP "P" and "Q" into position at 1725 hours. R-SLRP not in position. R will have their night location at grid 792228. SLRP positions are O-813248, U-824233, T-819227, S-802211, R-783223, Q-781237, P-792228. SLRP team reports hearing a sound like someone beating on a stake. Sounded like it was 500 meters Southwest of their position. Received a message from Bde that lot MA 109-3 of M-79 ammunition is bad ammunition. Special Forces at Duc Co report a firefight. We informed them that we have no friendlies at that location. What happened was that the LRRPs were put into the wrong location, and had contact with an ARVN unit from Duc Co. Special Forces at Duc Co are sending out a "B" size unit through the Southeast of our A/O. We notified all of our elements. Set up the Jump TOC and we had contact with Bde at 1215 hours. Major Royal requested the ARVN unit at this location be allowed but the families be sent to the Special Forces Camp at Duc Co. Special Forces at Duc Co will have a platoon A/O outside of A/O. They are 8316-8616, 8319-8619, 8420-8720, 8423-8723, 8327-8627, 8330-8620, 8029-8329, 8032-8332. 2 Groups of 2 numbers makes 1 A/O. Time Date group is 100800 to 170700. Major Royal asks these A/Os. D Co 3rd Pit found at grid 811236 what they thought to be a beobytrap consisting of small bamboo stakes driven into the ground, a long bamboo whip-type stake was attached to the last stake. There were 2 such devices about 50 meters apart on the trail. Bde will send new LRRPs into the original LRRP boxes.</p>

36		2350	(U) Sitrep Negative.	Notified BTOC	JWS
<p>Summary: O Co SLRP teams; O-813248, T-824235, Q-818226, S-802211, R-783222, U-782287, P-799244. SLRP Team O found punji stakes along the trail at their night location. They found 11 devices that consisted of spikes driven into the ground or a log set up as a trip device so that it fall on the person tripping the device. O also spotted an individual 400-500 meters to the front of their position. They only spotted the individual for a short time, they did not get a chance to fire on the individual. At 1325 hours SLRP Team O had contact with 6-8 enemy troops receiving small arms fire at this time and then pulling back to LZ Jean. They then proceeded to use light organics (mortars) on the enemy. O team spotted one individual when they started to pull back entire team opened fire and confirmed the fact by visual reconnaissance only they had killed the individual at grid 814246. Sent a platoon from D Co to sweep the contact area. Negative findings. SLRP Team) was sent back to their location. KIA had no head-gear. He had green fatigues and some type of boots on. At 1345 we had a Geer bring class 5 (ammunition) to this location, hit a mine. This happened 800 meters from the Special Forces Camp at Duc Co. The Geer had the right front wheel blown off. It left a crater 6 by 6 by 4. There were 5 persons injured slightly as a result. Believe the mine to be antitank in nature. Unloaded the Geer and flew the class 5 material to this location. Bde sent a VTM to this location to move the Geer back into the Special Forces Camp at Duc Co. The re-supply bird flying the class 5 spotted a bunker complex at grid 822253. They dropped smoke to mark the location.</p>

<p>Summary: C Co SLRPs moved to new locations: O-820251, P-812253, Q-804250, R-797245, S-781226, T-798216, U-814228, V-822238, W-817240. SLRP team P heard quite a bit of noise indicating that a large force was moving at grid 816261. Put arty and light organics on that grid. Kept it under observation. Negative results. A hook bringing class 5 (ammunition) to LZ Jean from Duc Co dropped part of the load (105mm). The hook sat down on LZ Jean and picked up a platoon from D Co. Took the platoon to Duc Co where they proceeded to conduct a search for the lost ammunition. The platoon from D Co had negative findings.</p>
