			fixed wing aircraft flying towards Cambodia approximately 2-3 minutes apart at grid YA800207 and YA818225.		
<p>Summary: The log was opened at 0001 hours 1 November 1968. Unit locations: At LZ Joan YA842251; Battalion Headquarters (Forward), B Company, B Battery 1/92 artillery, E Company, Recon platoon, 4.2" Mortar Platoon, counter mortar section from the 2/9 artillery, 1st platoon from D Company 4th Engineers Battalion; At LZ Joan YA809235; C Company, D Company, 1 CSF platoon from the Special Forces Camp at Duc Co, 1 AN/TPS-25 radar section from Division artillery; At LZ Vera YA835178; A Company OPCON to 3/8 Inf; At LZ Oasis; Headquarters and Headquarters Company Support (S-4 Forward); At Base Camp (Camp Enari); Battalion Headquarters (Rear). During the reporting several sightings were made of rotary wing and fixed wing aircraft within our A/O starting at 0156 hours thru 0655 hours and again at 2305 hours thru 2358 hours aircraft appeared to be heading West. Frag order was sent to C company from the S-3, have a platoon (-) conduct a sweep to the South of LZ Joan starting at 1000 hours and completing at 1700 hours. The platoon will sweep the following areas grids 8122, 8120, 8320, 8322, sitrep will go to this headquarters every hour. The following intelligence will be reported, possible chopper sighting landing at night location, effect of artillery fired in this area during the last 2 days, any activities in the last few days. Be prepared to re-enforce with the entire Company if the platoon makes contact with a large force. The platoon reported to the S-3 after the sweep was completed, the following findings: Footprints heading in a Northerly direction 50 meters circle of grass blown down, grass was cut down further around the circle, 4 other open areas of 50 meters at grid YA814215, the patrol reported finding a night location that had been used in the last 48 hours. SRP team 2 reported sighting 2 individuals at grid YA816266 and had heavy movement at grid YA824264. Artillery and light organics were employed, the rounds were on target and the movement stopped. Message from the Commanding General 4th Infantry Division Major General Charles P. Stone to the Bn CO LTC Buckner; Public relations guidance against North Vietnam. From President Johnson 0900 hours 1 November 1968: Effective immediately- All Commanders will insure US Military and civilians of their command to refrain from any comment whatsoever on this matter to the press or public. These instructions will be passed to all personnel immediately. Commanders and Information Officers if queried about the effect in South Vietnam of cessation of offensive operations against North Vietnam will reply that the President's announcement speaks for itself. Our operations will continue in South Vietnam on the present basis, if queried concerning the extent of South Vietnamese participation the reply will be that I have nothing to add to the President's statement. All other activities were routine and were coordinated by our staff.</p>

			at 1100 mils 2-3 clicks setting down in that knoll, all spotted by radar through the starlight scope.		
<p>Summary: The log was opened at 00001 hours 2 November 1968. Unit locations: At LZ Joan YA842251; Battalion Headquarters (Rear), B Company, B Battery 1/92 artillery, E company, Recon platoon, 4.2" Mortar platoon, counter mortar section from the 2/9 artillery, 1st platoon D Company, 4th Engineer Battalion; At LZ Jean YA809235; C Company, D Company, 1 CSF platoon from the Special Forces Camp at Duc Co, 1 AN/TPS-25 radar section from Division artillery; At LZ Vera YA835178; A Co OPCON to 3/8 Inf; At LZ Oasis; Headquarters and Headquarters Company Support (S-4 Forward); At Base Camp (Camp Bnari); Battalion Headquarters (Rear). During the period 0120 hours and 0556 hours radar section again reported unidentified aircraft within our A/O starting again at 2010 hours and continuing approximately to 2400 hours. Several of the aircraft were reported to be setting down at several locations and taking off again. All of the reportings were reported to Bde. The mine sweep team from LZ Joan to LZ Oasis received approximately 12 rounds of AK-47 fire at grid YA922269. No action was taken at that time. Miss Martha Raye visited LZ Joan and LZ Jean at 1030 hours and stayed approximately 30 minutes at each location. At 1030 hours we received a message from Bde: Have D Company ready to make a C/A to grid YA0209, the first lift was off LZ Jean at 1105 hours, the first lift touched down at grid YA028083 LZ Martha, LZ green, C/A Complete at 1315 hours. D Company and 1 CSF Company from the Special Forces Camp at Duc Co were inserted at the above location in response to enemy activity in the area. Read-Out on D Company operation: D Company reported 9 confirmed NVA KIA, 3 credited to them, the individuals that were shot by D Company tried to use hand grenades, found approximately 30 packs, destroyed 15 of the 30, found 5 82mm Mortar rounds, 2 82mm Mortar pits, and 15 fighting positions. The Company sustained 2 WIA's not serious, 1 leg wound and 1 side wound. Wounds were caused by fragmentation.</p>					
81		2400	Log closed for LZ Joan 2 November 1968.

72	2005		(C) In reference to the boy brought in: He appears to be an orphan and he has no place to sleep, he will stay here for tonight and then he will be taken to the Special Forces Camp at Duc Co.	Notified S-3	DC		
73		2030	(C) To B Co: Insure that children are not brought into the fire base unless such is done by the S-5 people.	Notified S-3	ROSS		
74		2100	(U) Sitrep Negative.	Notified Bde RTO	DC		
75	2115		(C) At 1910 hours from C Co CO to the S-3 air: Patrol was 1 1/2 hours late because of the dog team, terrain was so bad that the dog had to be carried most of the way. CO states that he will not take a dog out in this terrain again. The element leader says that he does not think that his element was bunched up, once 4 of the personnel were together checking the location on a map, but security had been posted at that time.	Notified Bn S-3 air Lt. Flanagan	DC		
76	2123		(C) To the Bn S-3 Major Royal from the Bn S-3 1/14: Require defoliation at grids (YA)	Notified S-3	DC
