137	2355		(C) In reference to item 135, informed the perimeter to be on a 50% alert.	Notified all elements.	WB
<p>Summary: The log was opened at 0001 hours 22 January 1969. Unit locations: At LZ Tango ZA035663; Battalion Headquarters (Forward), B Company, C Battery 2/9 artillery, B Company YA924717; C Company YA945698; D Company YA939685; A Company YA946677; at LZ Oasis; Headquarters and Headquarters Company Support (S-4 Forward); At Base Camp (Camp Enari); Battalion Headquarters (Rear). The battalion was repositioning forces for a three company sweep to the North between the 92 and 94 North-South grid lines against the positions occupied by B Company and the CSF. A Company was to move to the top of Chu-Pa in the vicinity of grid 950678, D Company was to move to grid 930690, C Company was to hold in place until they were directed to move by the Bn CO, B Company and the CSF were to develop their positions. Recon was ordered by Bde to check out the area in the vicinity of grid ZA048689, D troop 1/10 Cav was OPCON to 1/35 today. They were given a visual reconnaissance mission and they were directed to work in direct support of the companies. At 0700 hours A Company moved North, at 0730 hours D Company moved West, at 0930 hours A Company was at grid 951673, D Company was at grid 939685, at 1025 hours D Company spotted one suspicious looking individual and they fired on him, at 1030 hours D Company reported one friendly WHA, contact was made with an unknown size enemy force, contact was broken at 1045 hours but contact was again regained at 1047 hours, at 1051 hours the enemy fire was reported to be coming from an azimuth of 220 degrees this from D Company location, at 1052 hours D troop 1/10 Cav came on station, from 1205-1300 hours D Company platoon attempted to flank the sniper fire but they became pinned down, at 1215 hours D Company reported 3 WHA, they were receiving sniper fire from the Northeast and the West, at 1300 hours birds from D troop 1/10 Cav checked the area of contact but they were forced to leave due to the heavy volume of fire that they were receiving, at 1130 hours gunships were employed in the area to the North of D Co location this lasted until 1230 hours, A Company was now at grid 951679, at 1255 hours C Company heard mortar rounds being fired to the West, no rounds in their area and the rounds were of an unknown origin as reported by C Company. At 1330 hours D Company was at grid 937683, has 4 WHA, KHA. At 1300 hours D Company was told to stay in place, A Company (-) moved to sweep toward D Company location leaving one platoon at grid 951679, at 1355 hours D Company began receiving 60mm mortar fire, they also reported 2 enemy KHA, at 1400 hours D Company received small arms fire from the North, from 1400-1600 hours A Company swept toward D Company but they continually received heavy small arms fire from the Northeast. From 1600-1830 hours A Company attempted to reduce the hostile fire, negative results, from 1600-1726 hours Recon was lifted from grid ZA049688 to LZ Tango and C Company weapons platoon from Objective Bravo to LZ Tango. <p><b>Summary:</b> The log was opened at 0001 hours 23 January 1969. Unit locations: At LZ Tango ZA035663 ZA035663; Battalion Headquarters (Forward), E Company, G Battery 2/9 artillery; A Company YA938685; B Company YA924716; C Company YA945694; D Company YA938685; At LZ Oasis; Headquarters and Headquarters Company Support (S-4 Forward) At Base Camp (Camp Hauri); Battalion Headquarters (Rear). All companies were given instructions to move from their night locations grid YA938685 to the South away from the snipers to a secure location and construct an LZ to evacuate the casualties and to receive resupply, also made coordination with Leroy Cooks 36(CSF) who are going to sweep to the Northwest through your night location, move to the East of the 94 grid line to establish an LZ. At 1045 hours A Company started moving out of the caves to start a search of the area for the 50 element (Task Force Leader Major Laird and his RTO). At 1105 hours B Company reported that they were taking incoming mortar rounds but there were no casualties reported as a result. At 1120 hours A Company reported that they had found Major Laird's body to confirm him as a KIA, SP/4 Ross body was not found at this time. At 1530 hours A&amp;D companies reported that they had searched an area that was deemed to be suitable for an LZ grid YA948672, it will require additional engineers, they also request a Dust-Off for the wounded. At 1600 hours Dust-Offs 33 and 35 were on station. At 1742 hours 4 RH were evaced to the 71st Evacuation Hospital. At 1820 hours D Company reported that a Dust-Off with 4 RH WHA had been shot down by what was believed to be a B-40 Rocket one(1) of the 4 WHA was on a hoist. At 1835 hours A&amp;D companies reported that they were receiving incoming mortar fire, no casualties were reported as a result. Dust-Off 33 was the bird that was shot down. All personnel on the aircraft were killed except for the individual who was on the hoist, most of the bodies were burned with the chopper.</p>					
102	2400		The log was closed for LZ Tango 23 January 1969.
