<p>Summary: The log was opened at 0001 hours 26 February 1969. Unit locations: At LZ Lillie ZAll9561; Battalion Headquarters (Forward), A Company, 4.2" mortar platoon, C Battery 2/9 Artillery, counter-mortar section from the 2/9 artillery; B Company 150513; C Company 108492; Recon platoon 154545. At 1012 hours the 1/35 S-3 received a message from the Bde S-3: This message was in reference to the poor police of airfields used by the 1/35 and other elements of the 3d Brigade. It was concluded that U.S. Air Force vehicles (airplanes, helicopters etc.) would not land at air-facilities that were not properly and thoroughly policed thus denying the unit resupply and access to speedy means of transportation. The cordon and search of the village of Plei Yan (3) produced the following report at 1355 hours; the people stated that 2 VC used to live in the village about 1 1/2 years ago, they now live in the jungle with the VC, VC came to the village 5 days ago and they were carrying small arms. At 2105 hours Recon reported that someone was using call sign 10A on their frequency, party said that they had an SOI.</p>
