<p>Summary: The log was opened at 0001 hours on 1 May 69. Unit locations: At LZ Oasis grid ZA117277; Battalion Headquarters (Forward); A Company () at ZA082328; B Company CP at ZA090314; C Company CP at ZA101307; D Company CP at ZA103301; Recon platoon at ZA154228; 4.2 Mortar platoon at LZ Oasis; Headquarters and Headquarters Support (S-4 Forward) at LZ Oasis; Base Camp (Camp Dhari) Battalion Headquarters (Rear). At 0835 hours on 1 May 69 the Recon platoon found 1 hooch at ZA163217. They were not rice hooches but more like weapons and ammo hooch. There was nothing in the hooches and the platoon cleverly leafed to search the area. At 0900 hours on 1 May 69 the Recon found another rice hooch 100 meters south east of ZA163217. Size of hooch was 5' 1 by 3' width by 3' high and it was made of bamboo and pick command engineer stakes. The Recon found 50 to 300 lbs. of unfinished rice in the hooch with a great deal of sandbags. At 0838 hours the Recon found a hooch and a rice hooch 50 meters south east of ZA163217. It could store 500 lbs. of rice and was 6' by 4', above the ground. Inside they found 4 GI sandbags of rice and 1 gord of corn. The hooch was new, used within the last 2 weeks. At 1359 hours on 1 May 69 the Recon found a small cave at (ZA160218). 300 or 400 meters south of that cave they found a trap with 6 feet of bamboo sticks sharpened and spring loaded. The trap was set about waist high.</p>

<p>Summary: The log was opened at 0001 hours on 3 May 69. Unit locations: At LZ Oasis grid Z117277; Battalion Headquarters (Forward); A Company CP at AR773083; B Company (-) at Z1238088; C Company (-) at Z1235043; D Company (-) at Z1246051; Recon CP at Z1149219; 4.2 Mortar platoon at LZ Oasis; Headquarters and Headquarters Company Support (S-4 Forward) at LZ Oasis; Base Camp (Camp Enari) Battalion Headquarters (Rear). At 0936 hours on 3 May 69 B Company's 63 ele found 2 traps with arrow poles and arrow heads. They checked 4 trails running north to south of no recent use and about 4 months old. They found 1 more trap of the same type about 50 meters north of the others and this one did not have an arrow head on the pole. As soon as the 63 element came back to its CP they will send a diagram of that trap. Location of trails and traps is Z1235088. At 1055 hours on 3 May 69 B Company's 61 element found 5 hooches and 2 of them were new, 1 was being made, 2 were of medium age and of size 4x6. Inside they found 50 lbs. of rice and 50 lbs. of corn. At 1103 hours on 3 May 69 C Company at location Z1243065 found a tunnel complex or cave complex of 20 caves. Size of caves was 3'x5'x5' and entrance was 3' by 2' in diameter. They were about 2 months old and were not used. Water holes nearby the caves were dug into the side of the hill not shown on the maps. At 1335 hours on 3 May 69 B Company found 1 bunker 6x4x6 deep and no overland cover, no recent use. They found 2 glass jars, 1, 2, 3 gallon jars at location Z1226084. At 1200 hours on 3 May 69 the 3rd platoon of D Company found 2 sleeping hooches, and one spider hole vicinity Z1226079. Hooches were approximately 12' by 20' and 4' high containing sleeping mats and holding 10 persons in the prone position. (10 accommodated) Age of them was unknown. Also found was a pile of ashes from a wood fire, bundle of punji stakes, piece of bamboo 2" in diameter with illegible charcoal handwriting. A 18" spider hole was also found in the same vicinity, no recent use. Approximately 150 meters north west and on the east side of the river 3 tunnels 5 feet long were found and the entrances were 2 feet in diameter. One contained a Montagnard type jug, another 15 pounds of loose unpolished rice, the third was collapsed. On the west side of the river one more hooch 4' by 6' was found in a cultivated area containing one cross bow. Next to the river were one US pistol belt (new) with one worn and old canteen cover, canteen, M-26 hand frag grenade attached to the pistol belt. At 1305 hours on 3 May 69 B Company 63 element found 20 rice hooches 4x6' locked with woven mats, bamboo at Z1225090. They also found hooches at Z1225093. 63, 632 are keeping it under surveillance.</p>

			1. Due to the amount of rice involved and indecision on the part of GVN officials, progress in identifying, bagging and evacuation of VC rice in B Co area has been slow. 2. Rice evacuation will not be completed prior to 1200 hours 5 May.		
			3. Battalion is scheduled to move beginning 1700 hours. 4. We request instruction regarding disposition of rice that cannot be moved prior to the time the Bn is moved. This needs an acknowledgement from Bde S-3. Message was acknowledged from Bde S-3 at 1700 hours.		
51	1700		(C) From CO BCo to S-3: I have enough bags presently at both locations to bag all rice. I am clear out of 61's location by dark, 4 aircraft are available at 62's location and there are 4 tons of rice in scattered hooches. It will take me until 1500 hours tomorrow using all available troops to extract from 62's location.		
52		1705	(C) To all Cos: 1. Present operation terminates at 041800. 2. Units will be air lifted to the Oasis or a new AO at 051000 from 2 LZ's.

At 0900 hours on 4 May 69 B Company 61 element found 2 under ground rice caches at ZA218088 and the hole was 4'x6' and was 10 feet deep. It had 2 feet of overhead cover and 8 feet of loose rice was found in 1 hooch to the right front. 10 feet to the east another hooch was found and it was 4' x 6' containing 200 pounds of rice. At 0935 hours on 4 May 69 B Company 61 element at AR760088 found 2 under ground bunkers (sleeping) size 4' x4'x6'. There was a 3 foot tunnel connecting both bunkers which were caved in from the weather and showed no signs of recent use. At 1015 hours B Company 62 element</p>

At 07:055 hours the 16/96 ele radio jammed from vicinity AR945203. At 071713 hours the 2/1 Cav located 1 hut of 75 demolition packs, 600 pounds of explosive 525 sticks dynamite, 50 Bongoloid Torpedos, some shotgun shells, some 57RR rounds, a small amount of rice and 1 AK-47 magazine all in the vicinity AR949202. At 071930 hours the 2/1 Cav received small arms fire and approximately 57 and 75 rounds of fire from an unknown size force vicinity AR948203. They engaged the target with Spooky support. They estimated a Company size element and contact was broke at 2040 hours. They found a large cache of munitions. At 1150 hours on 8 May 69 D Co 70B spotted 2 individuals at Z4052381. When the 2 saw the element they hit the ground. They were assumed as enemy carrying carbines and a check with Bde revealed no friendlies in the area. They fired and no fire was returned from the enemy. At 1211 hours 8 May 69 the element told Bde S2 that the 2 individuals wore uniforms of the camouflage type similar to the type worn by LRRPs. Enemy were moving in a north east direction and distance was approximately 50 to 75 meters away. The area is being swept now with no results.</p>
