At 1600, 81 m.m. section of Co A, was firing registration at point S.E. The round split inside the tube, exploding and wounding 3 persons, two persons required litters, while the third was minor and dust off was requested. Division G3 was notified and a request for EOD team to inspect the two (2) lots of ammo that the round came from. (Lot #s M' 1736D and M' 1736G). Co A was instructed by Bn. Co. not to fire any more of ammo. At approx. 1620 dustoff arrived, the dust off ship spotted an overturned 2½ ton truck, investigation proved it was RVN personnel. 4 were injured and were returned on the dustoff ship with the three persons from A company.
