We are not using enough mechanical Ambushes. Mech. Ambushes are to be used offensively on trails up to 200 meters from your location. You must also supplement personnel Ambushes.

Reference to spot reports: An effort must be made to improve these reports. i.e. time, accuracy, intel. And an extensive search must be made on all I.R.

Do not use trails meaning S.E.K.

At location 734647, '1B had one W.I.A. D/O form attached. Booby trap device was a Chi Com grenade, in a 1 ft. hole, center of trail. The grenade was set to a wire in the hole to detonate device - The last of four personnel to cross this device, detonated the grenade. Resulting in minor flesh wounds of the leg.

'1B found hootch complex in this area consisting of the following:
3 bunkers dim. 6' x 20' x 10' w 6" overhead
10 bunkers dim. 3' x 3' x 10' - two man slp. pos.
8 hootches dim. 8' x 10' x 6' not complete
Above constructions on north side of blue line in AC
8 hootches dim. 8' x 10' x 6' - complete - these hootches were on south side of blue line.
Also found were 25 mililitas Novacane
Area last used 3-7 days.
