- |    |      |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|----|------|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 13 | 0932 | 12-7-41 | Wheeler Field has airplanes in the air and they are being fired upon by our troops. Our planes can be recognized by the long snout. They are P-40.                                                                                                                                                                                                                                                                                                |
| 14 | 0928 |         | Col. Turner, 298th Inf, called for information as to how to leave the post. Regular route is Wright Gate. Wheeler Field is ablaze. Want to know how to get out. Several of the men of the organization have been stranded down town including S-3 and the Adjutant. Apparently the roads are blocked. May be able to get in via the Pali Road. Capt Crawford told Col. Turner he will call him later for information as to how to leave the post. |
| 15 | 0942 | 12-7-41 | Information from the MP's. Wright Ave is open to traffic.                                                                                                                                                                                                                                                                                                                                                                                         |
| 16 | 0944 | 12-7-41 | Tp 298th Inf. Wright Ave is open unless notified later.                                                                                                                                                                                                                                                                                                                                                                                           |
